

# Sandalwood

11906 Longleaf Lane  
16,275 square foot home site (per HCAD)

Build your dream home with Jamestown Estate Homes in one-of-a-kind Sandalwood! This small community is a hidden gem in the Memorial area that makes you feel like you're far from the City. With three lakes and walking trails, this neighborhood is perfect for families with active lifestyles.

Zoned to Frostwood Elementary, Memorial Middle, and Memorial High School. Let the award winning team at Jamestown Estate Homes guide you through the process of designing the home that is right for your family.

Available for Design-Build starting at \$2.2M
